Organisation Name (if providing on behalf of an organisation):

1. Do you think the conceptual design of the Draft Framework works? What would you change?

We don't need any changes to current professional recognition model of having a degree or certification.

2. Are there any elements that you would add, amend, or remove?

We don't need any changes to current professional recognition model of having a degree or certification.

3. Would a Framework along the lines of the draft Framework be useful to you in your career or workplace? How could you see it being used?

No, it would not - We don't need any changes to current professional recognition model of having a degree or certification.

4. Is LIS professional recognition valuable to you? What changes would you like to see to professional recognition?

Recognition is valuable if it requires a degree or certification.

5. Any other comments?

This proposal makes no sense and should not be pursued. It devalues all the hard work and effort that myself and all of my colleagues have put in over the years to achieve and maintain a highly professional standard.
